

Newborn Session

Newborn session pricing begins at \$600. Typically sessions last 2-3 hours and will encompass a variety of posed and wrapped images. Sibling and family photos are included. The goal is to capture images that are a reflection of your child and family. 20 edited images, and an online viewing gallery to share with friends and family are included.

One Year Cake Smash

Cake smash session pricing begin at \$350. You've made it a whole year with your little one and it's time to celebrate. The session starts by capturing your babe in an adorable outfit. After, we move to a fully designed cake theme of your choosing. A professional cake is provided for destroying! We wrap up the session with bathtub shots and you go home with a clean happy baby. 20 edited images, and an online viewing gallery to share with friends and family are included.

Watch Me Grow Plan

Your newborn session, one year cake smash and a milestone session in the middle are included with this plan. The milestone is best captured when your baby hits the sitting milestone. The plan starts at \$1000, includes all 3 sessions and a complementary album.

*DB Photography keeps a small amount of our calendar open for our original love of weddings, family photos and seniors. Please email info@cincydbphoto.com for current pricing.
